

Website Accessibility Solution for ADA and WCAG Compliance

Be confident that your website is compliant as possible with the Americans with Disabilities Act (ADA). Website accessibility lawsuits are becoming more and more common, this program will help prevent this from happening. This solution will make a website compliant with Web Content Accessibility Guidelines (WCAG), Americans with Disabilities Act (ADA), The European Accessibility Act (EAA) and more. Using an artificially intelligent automated program, your site will be checked every 24 hours for compliance and make changes automatically to keep your site as up to date as possible.

Included with the software:

- WCAG & ADA Compliance
- Certification and accessibility statement by request
- Daily compliance monitoring, re-scanning and fixing accessibility issues every 24 hours
- Automatic software updates via the cloud
